Edition : 1.0
Date: (10/26)

Instruction Manual

MODULAR WORK BENCH STARTER KIT 1800 MSK18

Order Code: (A4502)

STARTER KIT 1800

BEFORE ASSEMBLING

Please read this instruction manual before assembly.

CAUTION

READ AND FOLLOW THESE NOTES
BEFORE ASSEMBLING.

Failure to follow these instructions may result in personal injury or product damage.

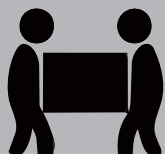

CHECK COMPONENTS

- Before assembling, confirm all parts have been supplied and are in good condition.
- If any parts are missing or damaged, do not assemble. Contact your supplier.

ASSEMBLY LOCATION

- Assemble on a clean, flat and level surface.
- Use a soft floor covering (e.g. carpet or blanket) to prevent scratches on painted surfaces.
- If assembling on a wooded floor, place a thin protective sheet or cloth on the floor.

LIFTING AND HANDLING

- Some components are heavy and bulky. Use two people or mechanical lifting aids where required.
- Do not attempt to lift heavy components alone.

PERSONAL PROTECTION

- Wear gloves during assembly to protect against sharp edges and pinch points.

KEEP AWAY

- Keep children, infants and pets away from the assembly area.
- This product contains small parts which may be a choking hazard.

TOOLS

- Use the correct tools as specified in the manual.
- Ensure tools are in good condition and used safely.

STABILITY

- Ensure the unit is assembled correctly, all fasteners are tightened and the cabinet is stable before use.
- When installed, secure the cabinet to a suitable wall or structure where required.

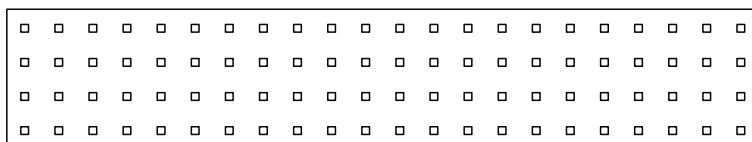

**DO NOT USE THE CABINET UNTIL IT HAS BEEN COMPLETELY ASSEMBLED,
CORRECTLY POSITIONED AND CHECKED FOR STABILITY.**

STARTER KIT 1800

PARTS LIST

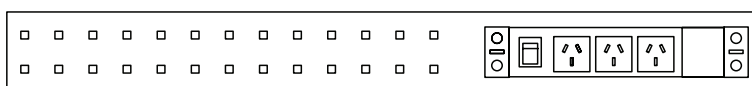

A 1800mm Backing Panel Rail - (4 Hole)

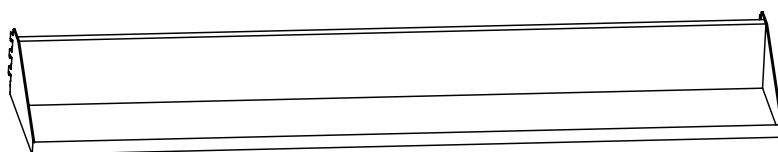

G 1800mm Backing Panel Rail (2 Hole)

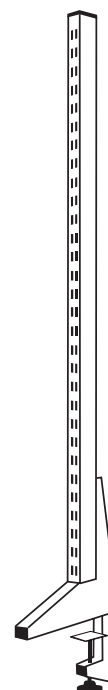

B 1800mm Backing Panel - Power Strip (2 Hole)

C 1800mm Holding Shelf

D Vertical Support

E Plastic Knobs

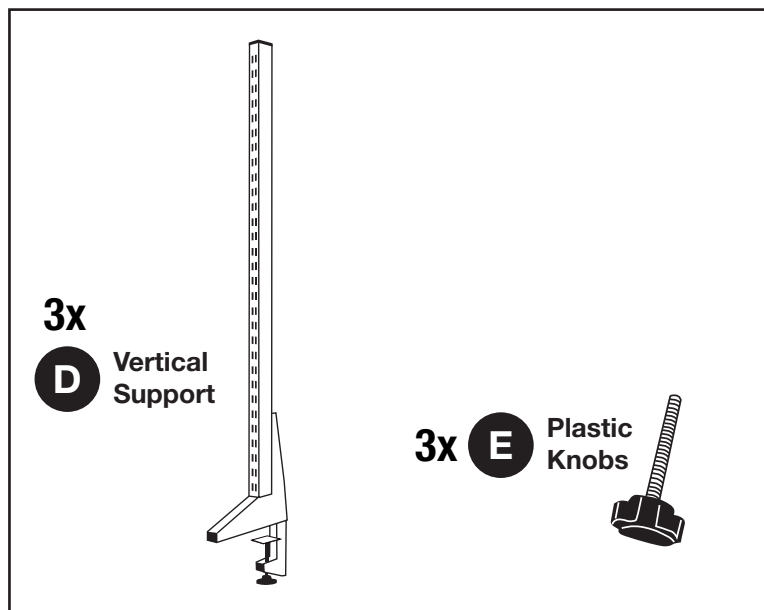

F Clamp Pads

Part No.	Description	Qty
A	1800mm Backing Panel Rail (4 Hole)	4
B	1800mm Power Strip Backing Panel (2 Hole)	1
C	1800mm Holding Shelf	2
D	Verical Support	3
E	Plastic Knobs	3
F	Clamp Pads	3
G	1800mm Power Strip Backing Panel (2 Hole)	1

ASSEMBLY INSTRUCTIONS

- 1** Screw the 3 x **(E) Plastic Knobs** into the 3x **(D) Vertical Supports** as illustrated below.

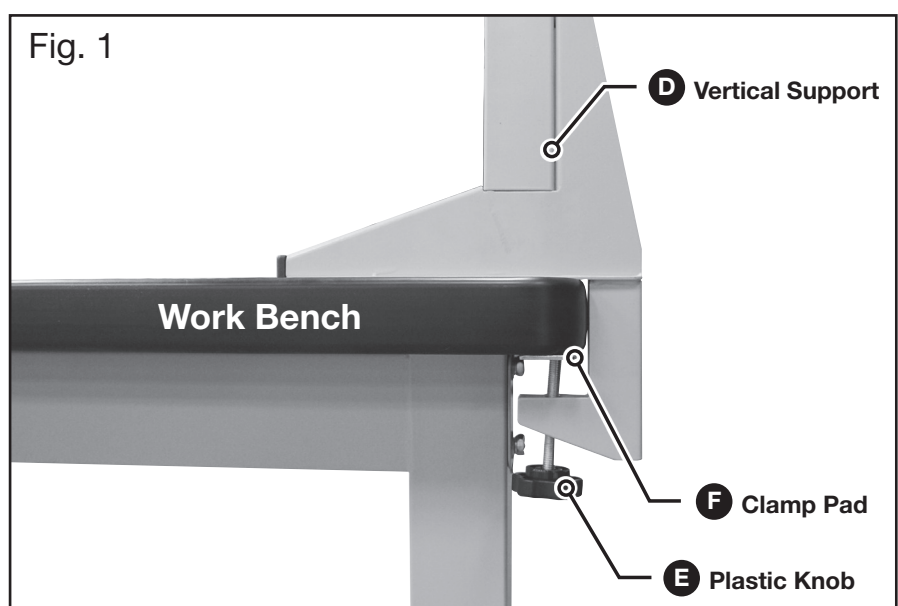

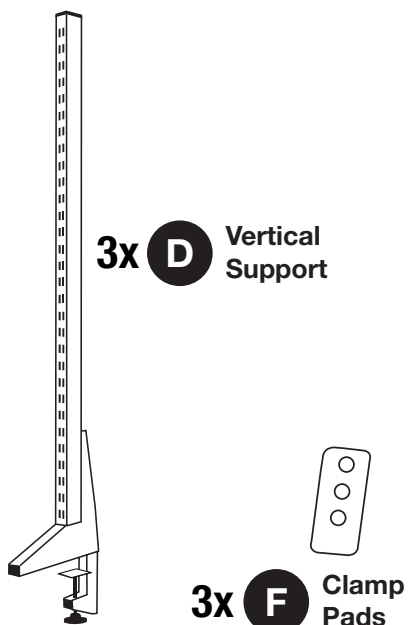

(D) Vertical Support

- 2** Position 3x **(D) Vertical Supports** onto the rear edge of the workbench. Place 3x **(F) Clamp Pad** between each workbench underside and **(E) Plastic Knob**, then loosely tighten both plastic knobs to hold the supports in position, as illustrated in Fig. 1.

Note: Do not fully tighten the plastic knobs at this stage to allow for adjustment during assembly

MODULAR WORKBENCH

STARTER KIT 1800

3

Insert 2x **(C) Holding Shelf** into the outside mounting slots of 3x **(D) Vertical Supports**. If necessary, loosen and reposition the vertical supports to align with the shelf mounting points, as illustrated in **Fig. 2**.

Once correctly positioned, **securely tighten both (E) Plastic Knobs** to lock the assembly in place.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
