Instruction Manual

MODULAR WORK BENCH LIGHT FRAME 1200

MWL12

Order Code: (A4521)

MODULAR WORKBENCH

STARTER KIT 1200

BEFORE ASSEMBLING

Please read this instruction manual before assembly.

CAUTION | **READ AND FOLLOW THESE NOTES BEFORE ASSEMBLING.**

Failure to follow these instructions may result in personal injury or product damage.

CHECK COMPONENTS

- Before assembling, confirm all parts have been supplied and are in good condition.
- If any parts are missing or damaged, do not assemble. Contact your supplier.

ASSEMBLY LOCATION

- Assemble on a clean, flat and level surface.
- Use a soft floor covering (e.g. carpet or blanket) to prevent scratches on painted surfaces.
- If assembling on a wooded floor, place a thin protective sheet or cloth on the floor.

LIFTING AND HANDLING

- Some components are heavy and bulky. Use two people or mechanical lifting aids where required.
- Do not attempt to lift heavy components alone.

PERSONAL PROTECTION

- Wear gloves during assembly to protect against sharp edges and pinch points.

KEEP AWAY

- Keep children, infants and pets away from the assembly area.
- This product contains small parts which may be a choking hazard.

TOOLS

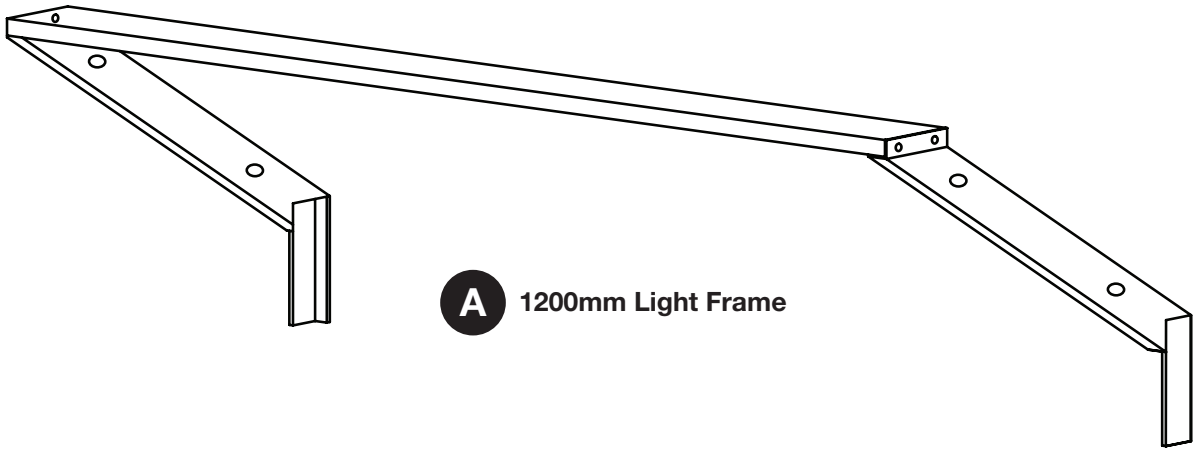

- Use the correct tools as specified in the manual.
- Ensure tools are in good condition and used safely.

STABILITY

- Ensure the unit is assembled correctly, all fasteners are tightened and the cabinet is stable before use.
- When installed, secure the cabinet to a suitable wall or structure where required.

DO NOT USE THE CABINET UNTIL IT HAS BEEN COMPLETELY ASSEMBLED, CORRECTLY POSITIONED AND CHECKED FOR STABILITY.

PARTS LIST

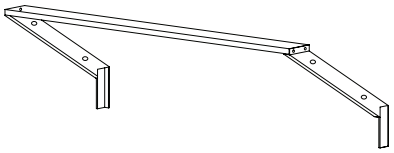

A 1200mm Light Frame

Part No.	Description	Qty
A	1200mm Light Frame	1

ASSEMBLY INSTRUCTIONS

1 Insert 1x **(A) 1200mm Light Frame** into the top square section of the 2x **(D) Vertical Supports**, ensuring both feet of the light frame are correctly aligned and securely engaged, as illustrated in Fig. 1.

1x
A **1200mm Light Frame**

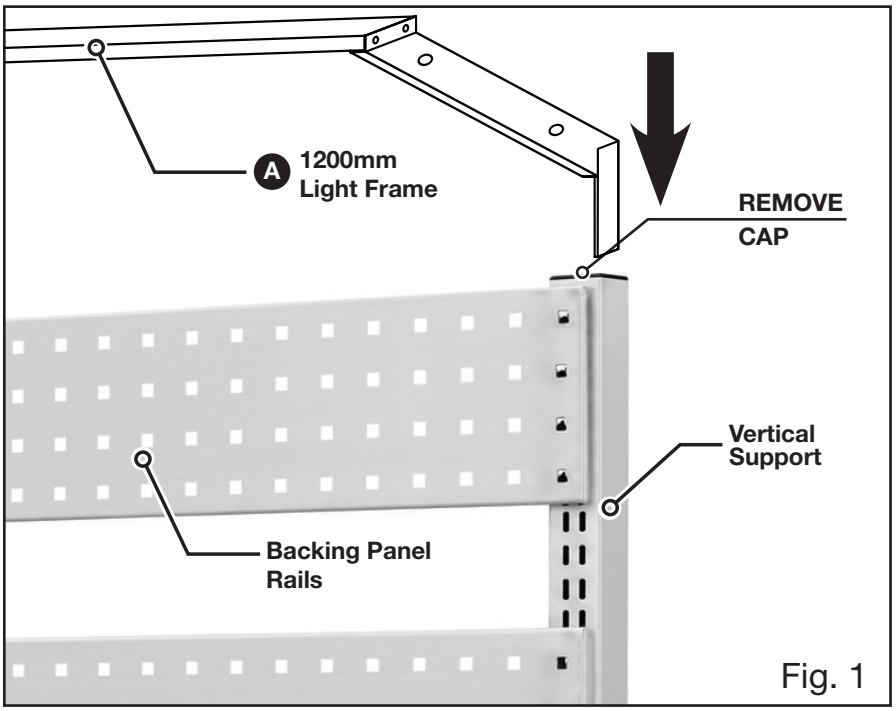

Fig. 1

---

6 The **MWL12 Modular Workbench Light Frame 1200mm** is shown fully assembled and fitted to the optional **IWB-12 Industrial Workbench**, as illustrated below.

Note: The IWB-12 Industrial Workbench is sold separately.

NOTES:

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
