

**RECIPROCATING AIR COMPRESSORS
- DIESEL DRIVEN**

- Australian built – Pilot Air’s seal of quality
- Designed and built for heavy duty use
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry ensures reliability and longevity.
- Full pneumatic load / unload idle-down control minimises machine wear and fuel use
- Air receiver to AS1210-3 – suitable for workplace use
- Powered by Kohler engines
- Electric start standard on all models (battery and leads not supplied)

Product Code	Description
K17D	Compressor KOHLER diesel/KD225(Es)/100L Rec./308L/min FAD
K25D	Compressor KOHLER diesel/KD350(Es)/150L Rec./457L/min FAD
K30D	Compressor KOHLER diesel/KD440(Es)/200L Rec./812.2L/min FAD

**RECIPROCATING AIR COMPRESSORS
- PETROL DRIVEN**

- Australian built – Pilot Air’s seal of quality
- Designed and built for heavy duty use
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry ensures reliability and longevity
- Full pneumatic load / unload idle-down control minimises machine wear and fuel use
- Powered by Honda engines – respected worldwide leaders for quality engines
- Electric start standard on K25P and K30P (optional on all other models – battery and leads not supplied)
- Air receiver to AS1210 – suitable for workplace use

Product Code	Description
K17P	Compressor HONDA Petro/GX160 /100L Rec./308 L/min FAD
K17PS	Compressor HONDA Petro/GX160 /100L Rec./308 L/min FAD
K25PR	Compressor HONDA Petro/GX270 /150L Rec./457 L/min FAD
K25P	Compressor HONDA Petro/GX270 (ES)/150L Rec./457L/min FAD
K30P	Compressor HONDA Petro/GX390 (ES)/200L Rec./812.2L/min FAD

PILOT AIR ARE THE EXPERTS IN COMPRESSED AIR SOLUTIONS. WE PRIDE OURSELVES IN PROVIDING EXPERTISE, SUPPORT AND VALUE.

SPECIAL BUILD COMPRESSORS

Pilot Air specialises in designing and building custom built air compressors to suit your specific requirements.

Why put up with a compressed air system that doesn't ideally suit your needs? Contact us to enquire about our Custom Built Packages and a complete range of compressed air solution products:

RECIPROCATING AIR COMPRESSORS

www.pilotair.com.au

Pilot Air Compressors, family owned and proudly Australian.

RECIPROCATING AIR COMPRESSORS – 415V

Three Phase - Horizontal

- Australian built – Pilot Air's seal of quality
- Ideal for workshops or factories
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry – ensures reliability and longevity
- Energy efficient MEPS approved electric motors – minimising energy costs
- Air receiver to AS1210-3 – suitable for workplace use

Product Code	Description
K17T	Compressor 415V/2.2 KW/100L Rec./292.6L/min FAD
K25L18	Compressor 415V/3 KW/100L Rec./365L/min FAD
K25/21	Compressor 415V/4 KW/150L Rec./454L/min FAD
K30	Compressor 415V/5.5 KW/200L Rec./681 L/min FAD
K50	Compressor 415V/7.5 KW/268L Rec./888L/min FAD
K60	Compressor 415V/11 KW/500L Rec./1353L/min FAD
K100	Compressor 415V/15 KW/500L Rec./1913L/min FAD

Three Phase - Vertical Professional Series

- High Quality – Made in Italy
- Ideal for workshops or factories
- Vertical configuration with small footprint.
- Ideal where floor space is limited.
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry – ensures reliability and longevity
- Energy efficient MEPS approved electric motors – minimising energy costs
- Air receiver to AS1210-3 – suitable for workplace use

Product Code	Description
K25-VI	Compressor 415V/4 KW/270L Rec./454L/min FAD
K30-VI	Compressor 415V/5.5 KW/270L Rec./681L/min FAD

Classic K Series

- Australian built – Pilot Air's seal of quality
- Designed and built for heavy duty use
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry ensures reliability and longevity
- Electric motor overload – helps protect against motor damage
- Air receiver to AS1210-3 – suitable for workplace use
- "SD" models feature oversized pump for extra efficiency and reliability

Product Code	Description
K17SD	Compressor SUPER DUTY240V/1.65 KW/100L Rec./205L/min FAD
K25SDL (*)	Compressor SUPER DUTY 240V/2.2 KW/100L Rec./289L/min FAD

(*) Requires 240V 15 AMP

Professional K Series

- High Quality – Made in Italy
- Designed and built for heavy duty use
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry ensures reliability and longevity
- Electric motor overload – helps protect against motor damage
- Air receiver to AS1210-3 – suitable for workplace use
- A Filter Regulator can be added by appending the code "FR to the model code.

Product Code	Description
K11-50	Compressor 240V/1.5 KW/50L Rec./191L/min FAD
K17-50 (*)	Compressor 240V/2.2 KW/50L Rec./257L/min FAD
K17-90 (*)	Compressor 240V/2.2 KW/90L Rec./257L/min FAD

(*) Requires 240V 15 AMP

RECIPROCATING AIR COMPRESSORS – SILENCED

- Super silenced design with acoustic foam lined cabinets and thermostatically controlled cooling
- Twin cast iron cylinder, Italian made pump
- High performance, heavy duty componentry – ensures reliability and longevity
- Energy efficient "MEPS" approved electric motors – minimising energy costs
- Ideal for workshops and factories with noise sensitive environments.
- Available in 240 volt single phase and 415 volt three phase options.

Product Code	Description
K17SI/1.65KW/240V	Compressor 240V/1.65 KW/205.1L/min FAD
K17SI/2.2KW/240V	Compressor 240V/2.2 KW/278.7L/Min FAD
K17SI	Compressor 415V/2.2 KW/292.6L/min FAD
K30SI	Compressor 415V/5.5 KW/681 L/min FAD
K50SI	Compressor 415V/7.5 Kw/888L/min FAD

RECIPROCATING AIR COMPRESSORS – 240V

MK Series

- Light, Compact, Versatile – Easy to move around job sites
- Standard pressure regulator – Adjusts to suit your equipment
- Electrical motor overload – Helps protect against motor damage
- Rugged build – Pilot tough

Product Code	Description
MK265-3	"50" Compressor 240V/1.5 KW/50L Rec./161 L/min FAD

TM+ Series

- Designed and built for heavy duty use
- Twin cast iron cylinder
- High performance, heavy duty componentry ensures reliability and longevity
- Electric motor overload helps protect against motor damage
- Air receivers to Australian Standards – suitable for workplace use "SD" models feature oversized pumps for extra efficiency and reliability
- Pressure Regulator fitted as standard
- Compact design
- Three year compressor pump warranty

Product Code	Description
TM325+	Compressor 240V/1.8 KW/50L Rec./196L/min FAD
TM420SD+	Compressor SUPER DUTY 240V/2.2 KW/50L Rec./256 L/min FAD
TM420SDL+	Compressor SUPER DUTY 240V/2.2 KW/100L Rec./256 L/min FAD
