Dependable Precision

2014 Edition

Magnetic Swarf Remover

 MADE IN GERMANY

Part No.: 18654

- ✓ **SAFELY** keeps your hands away from sharp pieces of metal.
- ✓ **STRONG** magnet that attracts large clumps of swarf.
- ✓ **EASY** to use by just pulling the knob, and the pieces fall away.
- ✓ **VERY** handy by keeping the swarf away from the work piece and finding missing bolts or screws in the bin etc.
- ✓ **SOLID** magnet without seams, enables use in coolant drums without damaging inside components.
